

Let's Get Down To Quizness!

The Mulberry Chamber is excited to host our second annual trivia night shining a spotlight on businesses in our membership. November 17th will be an evening of competition, prizes and FUN! Doors open at 6pm for food and networking with the trivia beginning at 6:45. Teams will compete for cash prizes! This event will have a raffle – another opportunity for great prizes, as well. Grateful for the donation of gift cards and/or items for that raffle. There will be a recognition board with names/logos posted.

A 'shout out' is either a question about or special attention given to the business through the game.

Businesses are encouraged to create their own teams and smaller businesses can join together to create a team. This is a pay to play event and due to space restrictions at the Civic Center we will have to limit the number of teams, so register right away!

A team is \$40 and caps at a max of six people.

A single is \$15. Singles will not be assigned to teams but can create an impromptu team at the event.

Contact Lilyan Robbins at the Chamber office to secure your sponsorship, register your team and donate a raffle item.
